Welcome to Zebritia Newsletter

Hi from me CM (dom) , I wanted to say Welcome to Zebritia Newsletter. I have been busy with health and fitness over the last year and continuing some knowledge base topics on the world wide web. I have wrote into the U of A in Edmonton, AB's I.T Department, please U 2 ...

Thank you!

Latest News

I have been trying to setup my new office accessories properly and have been cleaning dust and cooking lots, baking maybe 15 apple pies:

Q: Do I like excersice and counting digits?

A: Excersice, I love a lot but on a regular routine yearly and to watch out for severe pressure differences, I also like to count but not to much to get frustrated or start to think about passcodes all the time.

Q: Can you readers do this math quiz? , 38/125 on paper?

A: My answer is # 36.156

Clipart Ideas..

..I recommend doing come clipart and print a few..

—Recap

“Getting some fresh air and coffee while thinking about going back to studies is a great step forward. Start off on some cleaning and cooking aswell, like me city life is challenging but very fun..”
